PHILIPS

# 34" Digital Widescreen HDTV Monitor with Pixel Plus™

**34PW9819/17**

## Picture Quality

***Pixel Plus™ Resolution Enhancement***
*Experience better! Better detail, better texture, better resolution, more high definition like images even from non-HD sources. Pixel Plus™ will take your viewing to new levels of enjoyment. Pixel Plus™ is only from Philips.*

***Digital Natural Motion™***
*Eliminates motion judder from film based sources such as DVD's for distortion free, natural viewing.*

***Widescreen RealFlat™ Picture Tube***
*RealFlat offers less glare and far better geometry than traditional curved tubes, resulting in a brighter crisper image. The Widescreen format fits today's DVD's and HD signals without the need for large black bars across the top and bottom of the screen.*

***3D Y/C Comb Filter***
*For the highest possible picture quality from R/F or Composite connections. Virtually eliminates horizontal and vertical hanging dots as well as dot crawl. The Y/C component optimizes the edge detail required for today's text and graphic filled sources.*

***Remote***

## Ease of Use

***Active Control Plus™***
*By continually adjusting picture settings over 60 times per second, Active Control Plus ensures that the viewing experience is always optimal. Changes in ambient light are even automatically compensated for!*

***Double Window, Two Tuner PIP***
*Allows for simple one button enjoyment of watching two programs at the same time without the need for any additional equipment.*

***AutoScreen™ Fit***
*Automatically eliminates black bars from any source by selecting the perfect format for the signal being viewed.*

- AutoMute™
- AutoLock™
- Auto Surf™ List
- Channel Auto-Programming
- English/French/Spanish menu
- 180-minute Sleep Timer
- Closed Caption viewing

This television receiver provides display of television closed captioning in accordance with 15.119 of the FCC rules.

## Sound quality

***Dolby® ProLogic Decoder***
*Allows a more immersive sound experience.*

***6 Speaker Sound system with subwoofer***
*Exciting and lifelike sound with full left-center imaging and deep, powerful bass performance.*

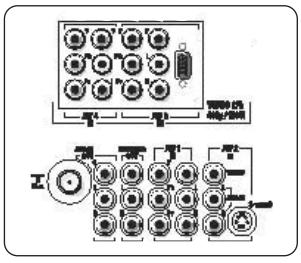
- Powerful 4 x 15 watt amplifier built in
- TV as center channel option
- 3D Surround
- AutoSound™ control

## Connectivity

***DVI w/HDCP***
*The best possible input for high definition sources for superb color purity, detail and reduced color noise, surpassing even S-Video.*

- 2 sets of HD Component Video inputs
- 1 set of Component Video Inputs
- 1 S-Video inputs
- 2 Sets Rear stereo AV inputs and outputs
- Side S-Video and stereo AV inputs

***Rear AV Panel***



***Side AV Panel***
